**FADGI Program: Impacts and Benefits**

**Activity**

- Digital imaging performance: includes conceptual framework, targets, metrics, and measurement tools; and provides a review of digital imaging performance metrics.
- Performance metrics for digitization projects and evaluation.
- Embedded metadata: includes specification for file headers, and development of an open source toolset for batch embedding.
- Still images: includes investigation of embedded metadata needs and toolset development for scanned motion picture film.
- Audio-video video: includes specification for file headers and development of an open source toolset for batch embedding.
- Audio-video audio: development of metadata for audio files.
- Still images: multiple activities: extensive library of published comparison format suitable for reformatted digital imaging; and online presentation in 2016-17.
- Still images: development of model SD/2 format specification for motion picture film scanning.
- Still images: initial FADGI general guideline establishes a useful document, and a parallel overview of best practices for digital imaging.
- Still images: genre guidelines for digitization: formalization of guidelines for digital imaging, especially through SHLA, and embedded development as a back-end activity.
- Audio-video audio: provides a technical overview of the formats and supported metadata.

**Working Group**

- Working Group: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Working Group: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Working Group: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Working Group: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Working Group: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Working Group: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Working Group: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Working Group: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Working Group: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Working Group: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.

**Description**

- Description: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Description: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Description: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Description: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Description: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Description: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Description: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Description: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Description: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.

**Calendar**

- Calendar: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Calendar: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Calendar: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Calendar: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Calendar: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Calendar: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Calendar: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Calendar: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Calendar: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.

**Who Contributed**

- Who Contributed: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Who Contributed: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Who Contributed: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Who Contributed: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Who Contributed: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Who Contributed: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Who Contributed: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Who Contributed: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Who Contributed: includes Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.

**Next Steps**

- Next Steps: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Next Steps: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Next Steps: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Next Steps: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Next Steps: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Next Steps: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Next Steps: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Next Steps: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Next Steps: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.

**Examples**

- Examples: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Examples: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Examples: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Examples: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Examples: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Examples: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Examples: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Examples: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Examples: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.

**Impact**

- Impact: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Impact: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Impact: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Impact: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Impact: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Impact: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Impact: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Impact: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Impact: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.

**Impact Elements**

- Impact Elements: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Impact Elements: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Impact Elements: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Impact Elements: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Impact Elements: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Impact Elements: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Impact Elements: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Impact Elements: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.
- Impact Elements: include Library of Congress (LOC), National Archives and Records Administration (NARA), the Smithsonian Institution, and the National Park Service.

The contributing agencies are listed according to their estimated level of effort. Most contributions are in-kind, i.e., staff time from the agencies.
